Brandon W. Johnson, a.k.a. “Positive Energy Guy” has had the honor of developing tens of thousands of leaders through his leadership trainings, workshops, and keynote speeches over the past 15+ years. In 2015 (#28) & 2016 (#18), Brandon was named a Top 30 Global Guru for the Hospitality Industry.

He has also been named an “Emerging Leader” by Twin Cities Business Magazine and his book was named “Business Book of the Year” by the Midwest Book Awards. He has more than twenty years of experience in operations and leadership positions in the hospitality industry, non-profits, training organizations, entrepreneurship, and higher education.

He holds a bachelor’s degree in hospitality and tourism mgt. and a master’s degree in management technology (organizational development focus) from the University of Wisconsin – Stout.

His trademark passion, heart, and energy inspires audiences everywhere while also giving them practical tools to take their business and lives to the next level.

He lives in Woodbury, MN with his family.
